

Greetings!

Welcome to the website for Georgia State's elite Business and Economics Fraternity, Phi Chi Theta. We invite you to learn more about our chapter and the history of our organization.

Our chapter, Upsilon, is one of the many Phi Chi Theta chapters from major universities across the nation. Since 1924, our fraternity has been dedicated to the growth and expansion of professional development in the field of Business Administration, while providing scholarship support, training, and networking opportunities. It is also an environment used to generate life-long connections and friendships as brothers and sisters with traditions of excellence.

Our members are professional students at the top of their class at GSU. We have outstanding work experience, course curricula, and extra-curricular activities. Each member is required to have at least a 3.0 grade point average, and is enrolled in either the J. Mack Robinson College of Business or Andrew Young School of Policy Studies with good standing. Our schools have been ranked top in the Nation, and we are proud of the accomplishments of our past members who have gone on to be key members of the Atlanta business community.

The Atlanta business community has been a key component of our professional and organizational development. By supporting Phi Chi Theta, you are fostering the business leaders of Atlanta by providing many opportunities not normally provided in other honors organizations. Our resume book, online job posting functions, our formal Dinner With and Winner and new PhiK Road-race in the spring are only a few of the tangible results of your generosity and contributions. If you would like to become involved and to gain networking access to the top business students at Georgia State, please be sure to look at our *Sponsorship Link* to see what opportunities are available for you and your organization.

For additional history and information on our organization, please send an email to info@gsupct.org.
